Attention: J. Murray Wilson  
Vice President Engineering

PHILADELPHIA RESINS CORP.

Gentlemen:

Subject: Chockfast Gray PR-61OFR

We thank you for your letter dated November 26, 1984 requesting a statement of our policy for the use of your product CHOCKFAST GRAY backing compound PR-61OFR.

This Service will have no objection to the use of the above mentioned product, subject to the following conditions:

1. This product may be used for chocking or as base plate shim material for deck machinery pumps and auxiliary equipment which does not require a precise, critical alignment.
2. The installation is to be carried out by skilled personnel in strict conformity with the Manufacturers instructions.
3. The completed installation is to be to the satisfaction of a Marine Surveyor of this Service.

We would like to receive one copy of the most recent Bulletin for the above product.

Yours truly,

(for)

T.G.W. Brown,  
Chief, Design and Construction,  
Ship Safety Branch,  
Canadian Coast Guard.
